## *Built to Last!*

**Roswell Seating** is a premiere church furnishings company headquartered in Roswell, Georgia. We take pride in the fact that we are different from other companies. We not only know what works for churches, but also what does not! We have been working with churches since 1927. Our 70+ years experience shows in all that we do. **The churches that we work with benefit 100 percent by having hardworking, professional, experienced representatives consulting on their projects. We offer FREE on-site consultations.**

**Roswell Seating offers solutions.** Not only do we offer church seating solutions, we offer steeple, baptistry, cupola, stained glass, pulpit furniture, refinishing and carpet solutions. **To download brochures for steeples, stained glass, etc., please visit our website—[www.roswellseating.com](http://www.roswellseating.com).**

Part of what Roswell Seating does to **ensure your project's success is:**

- Provide creative solutions sensitive to your congregation's design and budgetary needs
- Provide products meeting the highest possible standards for excellence in craftsmanship
- Provide knowledgeable service and timely execution of your order and installation

### PEW REFINISHING PROCESS

- Disassemble pews on-site at church
- Number all pieces for reassembly
- Transport to factory to refinish
- Pews will be stripped of existing finish
- Pews will be sanded by stroke sander
- Necessary repairs will be made to pews
- Necessary alterations will be made to a number of pews to create handicap access (if applicable)
- New lacquer based finish will be applied to pews
- Pew ends will be repainted (if applicable)
- Stain and pew end paint color to be specified by owner
- Will transport and deliver newly refinished pews to church
- Pews will be reassembled on-site and installed with new anchors
- NOTE: New cushions can be added
